Removal of duplicate Customer IDs (allotment of unique customer code)

Reserve Bank of India has directed banks to allot Unique Customer Identification Code (UCIC) for each & every customer and to complete it in a time bound manner. It is therefore mandatory to unify the multiple customer IDs of the customers that exist in the Bank.

We request all our customers who are maintaining multiple accounts/Customer IDs within or different branches of the bank, to approach their respective home branch.

Customers are requested to submit necessary declaration form to their home branch on or before 30.09.2015 choosing a Customer ID to be linked to all the accounts.

It may please be noted that in absence of any mandate from the customer, the Bank shall select a Customer ID and link to all the accounts of the customer at its discretion.
