Features

Loan

You may avail loan under your policy, provided that your policy has acquired a surrender benefit. The maximum loan amount granted (cumulatively) shall be up to 75% of the surrender benefit available under your policy as on date of the loan request being considered. Loan interest rate applicable currently is 10% per annum compounding half-yearly, however the loan interest rate may be revised by the company from time-to-time. On death, surrender or maturity, the outstanding policy loan plus interest, as on the date of death/surrender/maturity, will be deducted from the death/surrender/maturity benefit payable.

Note: The loan interest rate will be benchmarked to the G-Sec based on the information from Financial Benchmark India Private Ltd (FBIL). It will be equal to [10-year G-Sec yield PLUS 2%] rounded-up to the next full interest rate. The loan interest rate will be reviewed on an annual basis as on 1st April every financial year. The revised interest rate shall be applicable to both existing loans and to new loans offered. Any change in bases used for determination of applicable interest rate will be subject to prior approval of IRDAI.
